

# August 2007 Minutes

The meeting was open at approximately 7:20.

Club Treasure, Rod Stauffer reported that the club was up to 64 members and had a operating balance of \$2,500.84.

## **OLD BUSINESS**

- The irrigation system is in and working great, thanks to all those who participated in the project. A special thanks goes out to Butch Pendergrass for the more than generous donations he has made. We can't thank you enough.
- The shelter is almost complete, with hopes of finishing it up before the upcoming Randy Covington Electric Fly-In Aug. 25<sup>th</sup> and 26<sup>th</sup>.
- It was mentioned that a man named "Daniel Maumowicz" was met down at SEF who is a part of TRUERC.COM located in the greater Chicago area. He offered to send down some stuff for the upcoming electric event.
- Kyle offered to help out with whatever needed to be done for the event.
- Philip Grimes mentioned that there is a lot of clean up work that needs to be done around the field, mainly, behind and around the storage building. Of course, there never seems to be a short supply of "weed-eat'n" that needs to be done as well.
- It was mentioned that there was some interest in camping out Friday and Saturday night.
- Tony offered to haul off the old plastic chairs.

## **NEW BUSINESS**

- It was mentioned that "mosquito doughnuts" would be brought out to the field.
- It was suggested that the wheels be taken off the old push mower and used for another run-up stand, since the mower has a bent shaft and should be thrown out.
- It was also suggested that the club could use more run-up stands and work tables.
- It was brought to everyone's attention that the right end picnic table is in need of some serious repair. A simple diagonal cross brace might be all that is need to fix the problem.
- It was also suggested that the club look at the layout of the all of the tables and consider moving the frequency board. A radio impound board for events was also suggested.
- For the up and coming Giant Scale event, it was mentioned that spaghetti would be served for Saturday's dinner at the field, prepared by Tony Simmons.

The 50/50 raffle was won by Philip Grimes, who netted \$16.00

The MODEL OF THE MONTH was also won by Philip Grimes who brought a Raptor 30 Version II Heli, sporting a O.S. 37, Futaba gyro, and carbon fiber blades.

The meeting was called closed at 8:30.
