OLD BUSINESS

1. Ken Blackford showed us what the new signs for the club rules and AMA rules would like as we work toward updating the old ones. He did an amazing job with these and when you visit the field you will see them posted. Charley proposed we a lot \$200.00 for the new posters and all was approved. Thank you Ken.
2. Rod asked again that club members reach out to their local libraries to see if they would take our old magazines as a donation to help us reach Ama Gold Status.

NEW BUSINESS

1. It was asked if the club had any stance on the new FAA regulation and if we would inforce it. It's very important that all club members understand that it's the sole responsibility of the club member to register with the FAA and document their aircraft accordingly. It's not the club's responsibility to check or inforce this rule.
2. Butch and John Welcome went over final plans for Warbird event. They are still hopeful for a great turn out even with pending bad weather.
3. 50/50 Winner was Butch Pendergrass and he won \$37 and the club made \$37
