Prior Meeting Minutes: Unanimously Approved, Ken Kayser, John Titus motion to approve & second.

Treasurer Report: Unanimously Approved, Charlie Lasley, Chris Baker; motion to approve & second.

Old Business:

1. Much discussion about how much we appreciate our event CDs.
 - a. Howard asked members to help when they could if called upon.
 - b. Howard recognized all members who paid for the events even though they did not fly. These members illustrate what support for our club looks like.
2. Discussion was held about grading where the Old Heli Deli was located last month. No follow-up for the road, field grading project. Tabled until an estimate is finished.

New Business:

1. Officers: Election
 - a. Current officers were nominated for another year. With no others running, the nominations were closed.
 - b. Current officers will officially be voted in during the November meeting.
 - c. Rod Stauffer/Gray Kirby motion & second, approved unanimously with no dissent.
2. Howard asked the Club to provide no more than \$500 to purchase a water pump to empty out the field after heavy rains. This will help speed up the healing and drying of the field, along with mowing resumed.
 - a. Ken Kayser, Chris Baker motion to approve & second. Unanimously approved.

Howard asked Adam to get an estimate on the cost for the gravel for the next meeting. Butch and Adam Stated this would be done in stages since other things will be going on. They will start one piece of the project and then move on to the next. We will keep everyone updated.

Adjournment: Motion to close our October 2024 Meeting --- Charlie Lasley and Chris Baker ----- motion to approve & second. Unanimously approved 7:35pm.

50/50 Drawing: There was no 50/50 drawing held.
