## **Current Business and status updates:**

- Current roster has 72 members

- Paget Spencer and Gray Kirby will be donating an AED to the club. There will be a class for members interested in training. Status: AED presented to the club and it is stored in the Hawk's hangar over the fuse box. An AED box is being working on.
- Replace pilot station fence. Chris Baker is going to head up the task now. Status: ongoing.
  - Going to get various cost options that include wood and chain link that could be more permanent.
  - Cheaper option is preferred
- An electrician provided an estimate of \$2885 to run a 100 amp line to the pavilion.
  - Charlie and James plus other members of the club will do the project and it was approved for them to spend up to \$1600.
- Considering a Zoom meeting once a quarter. Padget will work on the AV issues for such a meeting
- Butch is working on getting an estimate on Spectator Parking signs.
- There are lots of ants on the field now and the cost will be \$400 to treat. Status: completed plus treated for carpenter bees.
- Parking passes for events were reviewed. We should probably try to take care of guest first. No specific plans are in place, but it is important to communicate any potential changes.

### **New Business:**

**50/50 Drawing:** Rod Stauffer won the 50/50 and donated the entire amount of \$82 to the club.

**Meeting closure:** Charlie motion and Padget seconded; meeting was closed with unanimous consent
