

July 2015 Minutes

The meeting was opened at 7:15 p.m.

Club Treasure, Ken Kayser reported an operating balance of O.B. of \$8,912.72.....in addition to the \$5,000.00 we have in the "future fund."

Four new members were voted in.....Jonny Zanner, Ethan Horn, Luis Valques and Dan Valques.....taking the membership up to 106.

OLD BUSINESS

- Chris Mulcahy reported a huge success as the Heli Event brought in \$2,400.00. 55 pilots rounded out the registration. He gave many thanks to all of those who helped out during the event.
- Club President gave thanks to Randy Covington who always drops his trailer off prior an event and hauls out the trash off after.
- Tommy Cheek and Chris Baker are still planning on finishing the building when time allows.
- It was suggested that the generator be placed and ran outside of the new storage building during field events, as the building got really, really hot inside due to it running the entire time of the event. It was suggested that it could simply be set behind the building with sound barriers.
- Special thanks to Bob Sheesly and Butch Pendergrass was given for completing the new field drainage system. It was suggested that the turned up areas around new ditch line should be graded and rolled in the fall along with re-seeding to help smooth out the harsh bumps.

NEW BUSINESS

- Butch Fortin reported that the Swap Meet planning was going well and in line. He reminded all present volunteers that set up on Friday would start around 4:00 and ends around 9:30, after all vendors finished their pre-set up. All Saturday volunteers would need to be present no later than 5:30 a.m. to open the doors for vendor set-up.
- Butch Fortin also confirmed that the new storage building / shelter wiring would be complete and ready for RCEFF.
- Long time member Bill Hamby reported that long time RC activist "Ed Myers" passed away Sunday morning, 7/5/15. He was 89 years old.

The meeting was adjourned at 7:30.

The 50 / 50 was won by George Shrek, who netted \$48.00, while the club netted \$47.00.
