## OLD BUSINESS

- After talking to Rod post meeting, he did clarify what is needed to pull off the event. The 4-H Club Charity Event is set for next weekend October 17<sup>th</sup>. First, we need all of the trainer planes. If you have a trainer and cannot make the event, please get with someone and hand off the plane and equipment to someone who can make the event to serve as an instructor. Tommy Cheek has confirmed that he will be bringing the charging stations, food and simulator. All instructor pilots should be on site by 8:00 that morning to get prepared and ready to go airborne by 9:30. At 9:30, flight instruction will begin and carry on until lunch at 11:30. To date, there will be 20+ students. We do need a few people to help cook the food, ready to serve by 11:30 thru 12:30. Cooks should be on site by at least 10:30. After lunch, we will need regular pilots to demonstrate all facets of the RC Flight Hobby.....jets, heli's, foamy's, giant scale, glow, FPV, DLG, sailplane.....enough to show the group everything there is up and until 5:00 that evening. If anyone has any questions and are willing to help out, please contact Rod..... [rgsflrs@windstream.net](mailto:rgsflrs@windstream.net) or call him at 403 – 4372.....or.....924 – 8010.
